

### Drinking Fountain

Ethel Jacobson

At first just a trickle,  
Two drops splash and tickle.  
And then there's a spurt,  
A sudden big squirt,  
Right smack in my eye:  
The fountain must think  
That I need a face-wash  
More than a drink!

### Flow

Aldo Kraas

Water from the Sea  
I hope that  
You flow  
Back and forth  
Because I want to hear  
The sound of the water  
I find the sound of the water  
So soothing

### Water is a Lovely Thing

Julia W. Wolfe

Water is a lovely thing—  
Dark and ripply in a spring,  
Dark and quiet in a pool,  
In a puddle brown and cool;  
In the river blue and gray,  
In a raindrop silver gray,  
In a fountain crystal bright;  
In a pitcher frosty cold,  
In a bubble pink and gold;  
In a happy summer sea  
Just as green as green can be;  
In a rainbow far unfurled,  
Every color in the world;  
All the year from spring to spring,  
Water is a lovely thing.
